Senator Herren 'Unimproved'

OLYMPIA, Tuesday, Feb. 2.—(AP)—Hugh Herren, state senator from Puyallup, had a "poor night" and hospital attendants said today he was "unimproved," probably in an increased critical condition. He is suffering from heart and kidney trouble.

SOLON PROPOSES NEW 'KING' STATE

OLYMPIA, Tuesday, Feb. 2.—(AP)—Because the people of King County are of "a heterogeneous, heterologous, heteronomous and heteromorphistic nature," Representative A. W. Clark, Clark County, proposed today to divide Washington into two states—King and Washington.

What he meant by those jaw-breakers was that the citizens of King County are "different" and "get in his hair."

He cited that the nature of King County persons gave rise "to economic and political antagonisms and strifes which have enlarged the gap and reflected in hostile legislation against the rest of the people not conducive to the peace and well-being of the citizens of the state."

Clark introduced a resolution to submit a constitutional amendment to the voters to divide the state, and if adopted, carry the proposition to the people of the United States for final action.

The boundary line of the "State of King" would be the present boundary of King County—or a state within a state.
